

A FOUNDATION FOR LIFE

For 117 years Ramona has carried on the mission of the Sisters of the Holy Names: to empower young women through education. Ramona graduates are making a significant difference in our world as judges, lawyers, doctors, research scientists, engineers, teachers, poets, and artists. The intellectual and spiritual formation our students receive prepares them to be women of faith and leaders who will take responsibility for the world they encounter.

Confident that a Ramona education makes a difference in the lives of young women, we collaborate with you, the parents, in nurturing and guiding your daughters through their adolescent years. Besides the academic and spiritual, this partnership must also include the financial dimension.

Tuition and fees at Ramona cover only a portion of the cost of educating your daughter. Your participation in the *Parent Pledge Program* helps to make up that difference. The key to the success of this program is 100% parent participation. I am asking you to join all of the other Ramona parents in demonstrating your support for Ramona's excellent educational program and for your daughter by making a tax deductible contribution through the *Parent Pledge Program*.

Sincerely,

Sister Kathleen Callaway, SNJM

“Ramona’s philosophy offers every student a chance to discover her potential. The academic strength and personal confidence I gained well prepared me for the challenges of college. Ramona’s faith-based learning environment allowed me to develop my talents as a leader and directed me towards a meaningful career choice.”

A PRICELESS GIFT

The gift of education is priceless! All funds donated through the *Parent Pledge Program* go directly to the current year's programs and, therefore, benefit each and every student enrolled in the school. Thanks to our generous benefactors, Ramona students enjoy:

- Smaller classes
- Access to computers and a variety of on-line data bases
- An annual retreat for each class
- Special assemblies and guest speakers
- Opportunities for competition in science, music, art, and debate
- Extra-curricular activities-sports, drama, and music
- Opportunities to develop leadership skills through Student Council and Clubs
- A safe, attractive learning environment

Your gift will inspire and strengthen us as we write the next chapter of Ramona’s tradition of excellence!
